

## ELEKTA STUDENT TRAVEL AWARD

### GENERAL TERMS

The award is intended to support student's attendance at a major national or international research gathering where the student must be actively participating by presenting a paper at an oral or poster session, exhibiting their work. The award aim is to reduce the financial burden, rather than to cover all travel expenditures.

- \$10,000 per year is available to provide a travel support offered on a competitive basis
- the award value depends on the destination with the following max.
  - \$1,000 international
  - \$500 national
  - \$300 provincial
- selection criterias:
  - event scale and impact (provincial, national, international)
  - presentation type (poster or oral)
  - student's research excellence (publication record, presentations, awards)
- applications to be reviewed 4 times per year
- recipients of the award are encouraged to present a seminar (Brown Bag) after the conference
