The Thunder Bay Regional Health Research Institute (TBRHRI) - an independent, not-for-profit corporation - is the research arm of the Thunder Bay Regional Health Sciences Centre. Our Scientists work closely with physicians and other clinicians, as well as academic and industry partners, to enhance research to improve the health outcomes of the people of Northwestern Ontario and beyond. Research is advanced through discovery and development of new imaging and other technologies, clinical trials and understanding of Indigenous Health and other pertinent matters.

We are currently seeking candidates for the following position:

Research Assistant-6 month contract (RP-528)

The individual filling this position works closely with the TBRHRI Clinical Research Services Department (CRSD), in support of projects that are related to nutrition and food services. The individual will conduct activities to support research project as defined by the Investigator(s), assist with study related duties in accordance with research protocols, and complete various audits and reports.

The ideal candidate is highly motivated and organized, with the ability to multi task in a fast-paced, interdisciplinary research environment. Exceptional organizational and communication skills, along with strong quantitative, analytic and reasoning skills are necessary. A strong work ethic and positive attitude are key. An undergraduate degree is required, preferably in the health sciences field. A nutrition and food services background is an asset.

To be considered for this position, please send your resume with a cover letter to:

Tanya Niederer, HR Coordinator
Thunder Bay Regional Health Research Institute
