

**Northern Ontario Heritage Fund Corporation
Research Intern**

(one year contract)

Thunder Bay Regional Health Sciences Centre

Thunder Bay Regional Health Sciences Centre (TBRHSC) is a state-of-the-art, 375 bed, acute care facility serving the healthcare needs of people living in Thunder Bay and N.W.O. The organization is focused on providing patient and family centered care in an academic learning environment. To fulfill its Teaching and Research strategic goals, TBRHSC supported (in 2007-08) the creation of the Thunder Bay Regional Health Research Institute (TBRHRI), as a not-for-profit and independent research corporation but closely affiliated with the Health Sciences Centre. Through the partnership, TBRHRI and TBRHSC are advancing the academic research mandate and strengthening our collective role as a leader in health innovation.

In conjunction with the Northern Ontario Heritage Fund Corporation (NOHFC), we are currently seeking candidates for the following position:

NOHFC #8503086, Research Intern (1 Year Contract)

The individual filling this position will work closely with the associated Physician and the Clinical Research Services Department (CRSD). Their time will be devoted to the support and development of clinical research projects specifically related to the TBRHSC Emergency Department.

Along with a degree in science or medicine, the ideal candidate will have training and experience in basic research design. Medical knowledge specifically related to emergency medicine, with an overall knowledge of the health care system area, is preferred. Must be highly dedicated and organized, with the ability to multi task in a fast-paced, diverse and growing environment. Exceptional organizational and communication skills, along with strong quantitative, analytic and reasoning skills are necessary. Intern must be a university or college graduate who has graduated within the last three years from an accredited college or university. The candidate must be a graduate of a post-secondary degree or diploma program. The position will be a first full-time employment in the candidate's field of study.
