

HEALTH RESEARCH SPEAKER SERIES

DATE:
**Thursday,
November 25, 2021**

TIME:
3:00 pm – 4:00 pm

LOCATION:
**Online event
via Webex**

ABOUT THE SPEAKER:

Rabail Siddiqui has over five years of experience in research, ranging from basic sciences, to clinical and translational research. She has worked for the Orthopaedic Research Program at TBRHRI for the last three years and has been covering the position of Research Development Coordinator since May 2021. Rabail obtained her undergraduate degree in Biology and her Master of Public Health with a specialization in Epidemiology from Lakehead University. She recently completed a Master of Health Sciences (MHS) in Translational Research from the University of Toronto.
